ABOUT JEREMIAH PROGRAM

The Bullfrog Bash supports Jeremiah Program's Minneapolis and St. Paul Campuses. Jeremiah Program is a nationally recognized nonprofit organization using a proven, holistic approach to help families transform from poverty to prosperity two generations at a time. Through safe and affordable housing, quality early childhood education, empowerment and life skills training, and support for career-track education, Jeremiah Program prepares determined single mothers to succeed in the workforce, readies their children to succeed in school, and reduces generational dependence on public assistance.
