ABOUT JEREMIAH PROGRAM
Jeremiah Program is a nationally recognized nonprofit organization using a proven, holistic approach to transform families from poverty to prosperity two generations at a time. Through safe and affordable housing, quality early childhood education, empowerment and life skills training, and support for career-track education, Jeremiah Program prepares determined single mothers to succeed in the workforce, readies their children to succeed in school, and reduces generational dependence on public assistance. After fundraising in Fargo-Moorhead for more than seven years, we broke ground on the Fargo-Moorhead campus in June 2017 and opened to families in January 2018. Today, the program houses 19 families and 31 children. Our safe and affordable housing can host up to 20 families and our early childhood development center can serve up to 52 children.
