

“

The one aspect of the program which has made the biggest difference for me, personally, is to have a coach that helps me prioritize, work on goals, holds me accountable, and supports me when I'm struggling or overwhelmed.” Valerie, JP Rochester Mom, May 2020

JEREMIAH ROCHESTER - SE MN 2020 IMPACT

JP Rochester- SE MN families, staff, and community came together in a challenging year.

2020 brought on its challenges. Thanks to the hard work of JP staff and moms, and the support of our community, we met those challenges. JP opened our doors, and filled our new, 40-unit building. By the end of the year, all of our moms were enrolled in college, living safely with their children on campus, and planning for a bright future.
