

“

The [JP] community has given me a foundation of structured support. It has been a safety net for me as a single mother. [JP] has helped to adapt to the current pandemic in that we have had to make adjustments in order to help remain cohesive as a community in maintaining the level of support we are accustomed to.” –Leticia, JP Austin Mom

JEREMIAH AUSTIN 2020 IMPACT

JP Austin families, staff, and community came together in a challenging year.

In 2020, we had to pivot. Thanks to the support of our community and the hard work of our staff and moms, we did. In 2020, Austin filled its campus, more than doubled the number of moms participating in Empowerment, and sent 11 JP kids to high quality summer camps.
