

“

Before I became a participant in the Jeremiah program, I did not have a lot of support around me. I spent a lot of time alone...moving into the Jeremiah Program that was my main goal— to have all that support. Without the program, I would not have a team of people that I know I can rely on.”— Kylie, JP Fargo-Moorhead Mom

JEREMIAH FARGO — MOORHEAD 2020 IMPACT

Fargo – Moorhead families, staff, and community came together in a challenging year.

Thanks to the support of our community and the hard work of our staff and moms, we had nearly twice as many new moms participate in Empowerment compared to 2019. Eight moms achieved academic all-star status. Three moms graduated from college in 2020 while managing all the challenges of the pandemic.
