The power in the room can be felt when a group of single moms get together [in Empowerment and Leadership].”

—JP BOSTON MOM

## In 2022, JP Boston served the highest number of families in our history.

2022 was a time of incredible growth for our Boston campus. We celebrated four incredible women as they graduated with their post-secondary degrees. Forty JP Boston moms participated in our new Career Volunteer Mentor Program, and over 40 JP Boston kids participated in high-quality summer enrichment and tutoring opportunities to further support their educational development — increasing the chances of economic mobility for both generations.
