Getting the experience from JP mom just shows that you don't have to be afraid to ask for help and find a community who supports you and motivates you to do your best."

—JP BROOKLYN MOM

In 2022, JP Brooklyn served the highest number of families in our history.

2022 was a time of incredible growth for our Brooklyn campus. We celebrated three incredible women as they graduated with their post-secondary degrees. Twenty-two JP Brooklyn moms participated in our new Career Volunteer Mentor Program, and over 60 JP Brooklyn kids participated in high-quality summer enrichment and tutoring opportunities to further support their educational development — increasing the chances of economic mobility for both generations.
