JP has allowed me to have the space and time I need for myself to be able to study, to be able to stay on top of courses. JP offers so much as a whole, not only just for the moms but for the child.”

—JP MINNEAPOLIS-ST. PAUL MOM

## In 2022, JP Minneapolis and St. Paul served the highest number of families in our history.

2022 was a time of incredible growth for our Minneapolis and St. Paul campuses. We celebrated ten amazing women as they graduated with their post-secondary degrees. Twenty-four moms participated in our new Career Volunteer Mentor Program, and nearly 50 kids participated in high-quality summer enrichment opportunities to further support their educational development — increasing the chances of economic mobility for both generations.
