A sense of community changed everything for me. I no longer feel alone and am proud to be a JP Mom.”

—JP FARGO-MOORHEAD MOM

In 2022, JP Fargo-Moorhead served the highest number of families in our history.

2022 was a time of incredible growth for our Fargo-Moorhead campus. We celebrated five amazing women as they graduated with their post-secondary degrees. Six JP Fargo-Moorhead moms participated in our new Career Volunteer Mentor Program, and over 40 JP Fargo-Moorhead kids participated in high-quality summer enrichment opportunities to further support their educational development — increasing the chances of economic mobility for both generations.
