

In 2023, JP Brooklyn found a new home.

After two years of significant growth, our Brooklyn program needed a new space for our growing staff, families, and community partners. In Spring 2023, we moved into a new space with a dedicated kids' play area. The new downtown Brooklyn office sits at the nexus of resources important to our families, including the Human Resources Administration office that provides assistance with SNAP and housing. We celebrated with an open house that included a ribbon-cutting ceremony with the Brooklyn Chamber of Commerce and a conversation with JP's president and CEO and several JP Brooklyn moms. Our new space has become a hub for families — bringing moms and kids together for monthly Sisterhood Hours and events while also offering a beautiful area for families to connect, play, and study together. Single mother sisterhood sustains women and families in pursuit of economic mobility. Throughout 2023, 76% of moms persisted in their college, career, and leadership journeys — and with JP Brooklyn.

2023 IMPACT REPORT

In 2023, Jeremiah Program celebrated 25 years of single mother sisterhood, leadership, and community.

2023 may have been a milestone year for Jeremiah Program (JP), but it was also a year of firsts. We held our first in-person summit in Austin, TX, bringing together more than 300 JP moms, alumni, kids, staff, and supporters for a weekend of learning, sisterhood, and community. We launched a new Early Childhood Education (ECE) Fellowship for teachers in JP's five Child Development Centers (CDCs) and JP moms interested in pursuing degrees in ECE. In August, more than 100 JP direct-service staff convened in Fargo, ND, for our first-ever program retreat. Through shared and role-specific training opportunities, the retreat helped break down program silos and better integrate the JP family experience. In 2023, JP Baltimore and JP Las Vegas celebrated their one-year anniversaries. Since 2022, our Baltimore and Las Vegas communities have grown from two visionary executive directors and our first cohort of 104 families to 10 full-time staff, 317 families, and a host of community partners and local supporters. Finally, we published JP's first-ever annual report magazine, *Imagine*, a project that looks back at JP's 25-year history while also looking to the future.
