# 2023 IMPACT REPORT

## In 2023, JP Las Vegas grew in community.

2023 was our first full year offering 2Gen supports to single moms and their children in Las Vegas. By December, our program grew from one visionary executive director and our first cohort of 55 moms and kids to five full-time staff, more than 180 moms and kids, and a host of community partners and local supporters. Thanks to our incredible network of community partners, 37 new moms completed JP's introductory, three-month Empowerment and Leadership program, designed to move women from gratitude to agency and anchor them in their strengths.

In October, we held our inaugural JP Las Vegas Voices Rising storytelling event, which honored the legacy and work of Helen Anderson Toland, also known as "Mama Toland," and Dr. DeRionne Pollard, president of Nevada State University. Our monthly Sisterhood events were the highlight of our year. Single mother sisterhood sustains women and families in pursuit of economic mobility. Throughout 2023, 90% of moms persisted in their college, career, and leadership journeys — and with JP Las Vegas.

"People should know that JP can give you hope in a place where it doesn't seem like there is hope — a future, an actual future."

## 2023 IMPACT REPORT

### In 2023, Jeremiah Program celebrated 25 years of single mother sisterhood, leadership, and community.

2023 may have been a milestone year for Jeremiah Program (JP), but it was also a year of firsts. We held our first in-person summit in Austin, TX, bringing together more than 300 JP moms, alumni, kids, staff, and supporters for a weekend of learning, sisterhood, and community. We launched a new Early Childhood Education (ECE) Fellowship for teachers in JP's five Child Development Centers (CDCs) and JP moms interested in pursuing degrees in ECE. In August, more than 100 JP direct-service staff convened in Fargo, ND, for our first-ever program retreat. Through shared and role-specific training opportunities, the retreat helped break down program silos and better integrate the JP family experience. In 2023, JP Baltimore and JP Las Vegas celebrated their one-year anniversaries. Since 2022, our Baltimore and Las Vegas communities have grown from two visionary executive directors and our first cohort of 104 families to 10 full-time staff, 317 families, and a host of community partners and local supporters. Finally, we published JP's first-ever annual report magazine, *Imagine*, a project that looks back at JP's 25-year history while also looking to the future.

“If we are supportive of single mothers and their children, we’re just leveling up society overall.”
