2023 IMPACT REPORT

In 2023, our Rochester-Southeast MN program doubled down on our commitment to JP moms and families.

2023 was a benchmark year for JP Rochester-Southeast MN — and not just because we served the largest number of families in our campus’s history. In May, our long-time Head Start partner found it could no longer manage our onsite Child Development Center (CDC), which provides high-quality learning for JP kids while moms are in school. We responded to an opportunity to assume operations of our CDC and reopen in time for the 2023-2024 school year to minimize the disruption for our families. We opened at the end of August after hiring 11 full-time staff in a three-month period and have already enrolled 43 students. Our community of moms, staff, and local supporters all rowed together to make this quick transition possible. We know that single mother sisterhood sustains women and families in pursuit of economic mobility. Throughout 2023, 81% of moms persisted in their college, career, and leadership journeys — and with JP Rochester.

2023 IMPACT REPORT

In 2023, Jeremiah Program celebrated 25 years of single mother sisterhood, leadership, and community.

2023 may have been a milestone year for Jeremiah Program (JP), but it was also a year of firsts. We held our first in-person summit in Austin, TX, bringing together more than 300 JP moms, alumni, kids, staff, and supporters for a weekend of learning, sisterhood, and community. We launched a new Early Childhood Education (ECE) Fellowship for teachers in JP's five Child Development Centers (CDCs) and JP moms interested in pursuing degrees in ECE. In August, more than 100 JP direct-service staff convened in Fargo, ND, for our first-ever program retreat. Through shared and role-specific training opportunities, the retreat helped break down program silos and better integrate the JP family experience. In 2023, JP Baltimore and JP Las Vegas celebrated their one-year anniversaries. Since 2022, our Baltimore and Las Vegas communities have grown from two visionary executive directors and our first cohort of 104 families to 10 full-time staff, 317 families, and a host of community partners and local supporters. Finally, we published JP's first-ever annual report magazine, *Imagine*, a project that looks back at JP's 25-year history while also looking to the future.

“If we are supportive of single mothers and their children, we’re just leveling up society overall.”
