

2024 IMPACT REPORT

“JP provided a community of like-minded people who are all going through the same thing. ...We can all lean on each other when we need it.”

—JP ROCHESTER-SOUTHEAST MN MOM

2024 was another impactful year for JP Rochester-SE MN, thanks to supporters like you. Importantly, we expanded our 2Gen wrap-around supports for families, continued to foster vital spaces for peer connection, mentorship, and empowerment among JP moms, and saw great success for JP kids in our first full year of independently operating our Child Development Center (CDC). While our work is far from finished, let’s take a moment to pause and celebrate the work we accomplished together on behalf of single moms, their children, and our entire Rochester-SE MN community.
