JP SUMMIT **X** SPARK TANK

MARCH 7, 2026 | 11:30 A.M. ET | VIRTUAL

Now in its fourth year, Spark Tank (JP's pitch competition inspired by the television show *Shark Tank*) offers JP moms and alumni a platform to present their business ideas to a panel of judges and a supportive virtual and in-person audience.

This year, Spark Tank will award over \$20,000 in total prize money to the winners, with additional supports offered to all participants through coaching and resources. The competition not only elevates individual entrepreneurs but also contributes to a broader conversation on the power of community-led solutions in addressing complex social issues.
